

Unit 1F –

Understanding instructions and making things happen

Level 1

Pupils follow the teacher's instructions when undertaking tasks. They explore different types of information held on ICT systems. They use ICT to move objects on screen for a defined purpose and use words and pictures to communicate ideas. They are aware of ICT in their world.

Teacher commentary: Year One

The children used the whiteboard to guide Charlie Chimp by giving him directions to move up, down, left, right etc. The children used the beebots to move them in a direction chosen by the child.
